# CTO ONLINE COURSE

For CTO Coordinators and Physicians in Ontario

**Do you work with community treatment orders (CTOs) in Ontario? Do you want to learn more about CTOs?**

This **FREE** online, self-directed course will enhance physicians' and CTO coordinators' knowledge of CTOs in Ontario. Through five interactive modules, which include learning activities, videos, and case studies, participants will learn more about:

- Legislation related to CTOs
- The CTO process
- Community Treatment Plan content
- Past Consent and Capacity Board and court decisions
- Tracking CTOs across the province

**Takes  
around 3  
hours to  
complete**

**Royal College of Physicians and Surgeons of Canada – Section 1**

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Faculty of Medicine, University of Toronto. You may claim a maximum of 6 hours (credits are automatically calculated).

This course was developed by Evidence Exchange Network (EENet). EENet helps create and share evidence to build a better mental health and addictions system in Ontario. Part of the Provincial System Support Program (PSSP) at the Centre for Addiction and Mental Health (CAMH), the network includes researchers, clinicians, service providers, system planners, policymakers, persons with lived experience, and families.
